

Faces of

Opportunity House

July 1, 2009 through June 30, 2010

President's Letter

A little over seven years after the first of 56 vacant lots was turned over to us by the Berks County Redevelopment Authority, 4 ½ years of planning, and then raising over \$2.7 million during challenging economic times, it was with great relief to see construction begin on the Second Street Learning and Technology Center. Many thanks to our Campaign Chairs, Lois and Irv Cohen and Eric Schippers, for providing the leadership needed to raise the required dollars to move forward with this project. Additional thanks to our Campaign Cabinet, Board of Director's, and staff who worked tirelessly to ensure a successful capital campaign. This state of the art 12,000 square foot facility will house six classrooms, a multi-purpose room, and library. Each classroom will be equipped with workstations for 12 children and teachers

will provide instruction using smart board technology. Designed to accommodate up to 144 children, it is our hope that the center will address the "digital divide" that currently exists between low income children attending urban public schools and their peers in suburban school districts. Designed utilizing smart growth principles, the center is being constructed to maximize sunlight, reuse rain water, and provide a healthy learning environment to children enrolled at the center. The center is scheduled to open in July 2011.

Other changes also took place over the past year. The Children's Alliance Center (CAC) moved to their new location at 50 4th Street. For the past several years, the CAC had been sharing space with the Reading Health Dispensary at 2nd Street. Additionally the CAC became home to the Court Appointed Special Advocate (CASA) program formerly operated by the United Way. This new location provides much needed space to meet the needs of the over 300 children involved in these programs each year.

Additionally, Opportunity House assumed ownership of Beacon House, a thirteen unit apartment building in the 800 block of Schuylkill Avenue. These apartments provide affordable, permanent housing opportunities for individuals and families who have successfully transitioned out of the shelter. Combined with our other supportive housing programs, over 85 formerly homeless men, women and children now have a place of their own to call home.

Our special fundraising events continued to grow in their success. Our Souper Bowl Preview and Souper Bowl events raised over \$50,000 and our 13th annual golf outing, hosted at The Berkshire Country Club, also netted \$50,000. We would like to thank our many volunteers, sponsors and participants who helped to make these events successful.

It has been our privilege and honor to be associated with Opportunity House. We cannot thank everyone enough for all of your support. We continue to be committed to improving the quality of life for families and adults who face various obstacles to independence, and support their efforts to achieve and maintain self-sufficiency. On behalf of the Board of Directors, we would like to thank all of Opportunity House's employees, donors, supporters, and volunteers. Without the support from all of you, we could not continue to offer the services and programs that are so important to our community.

Sincerely,

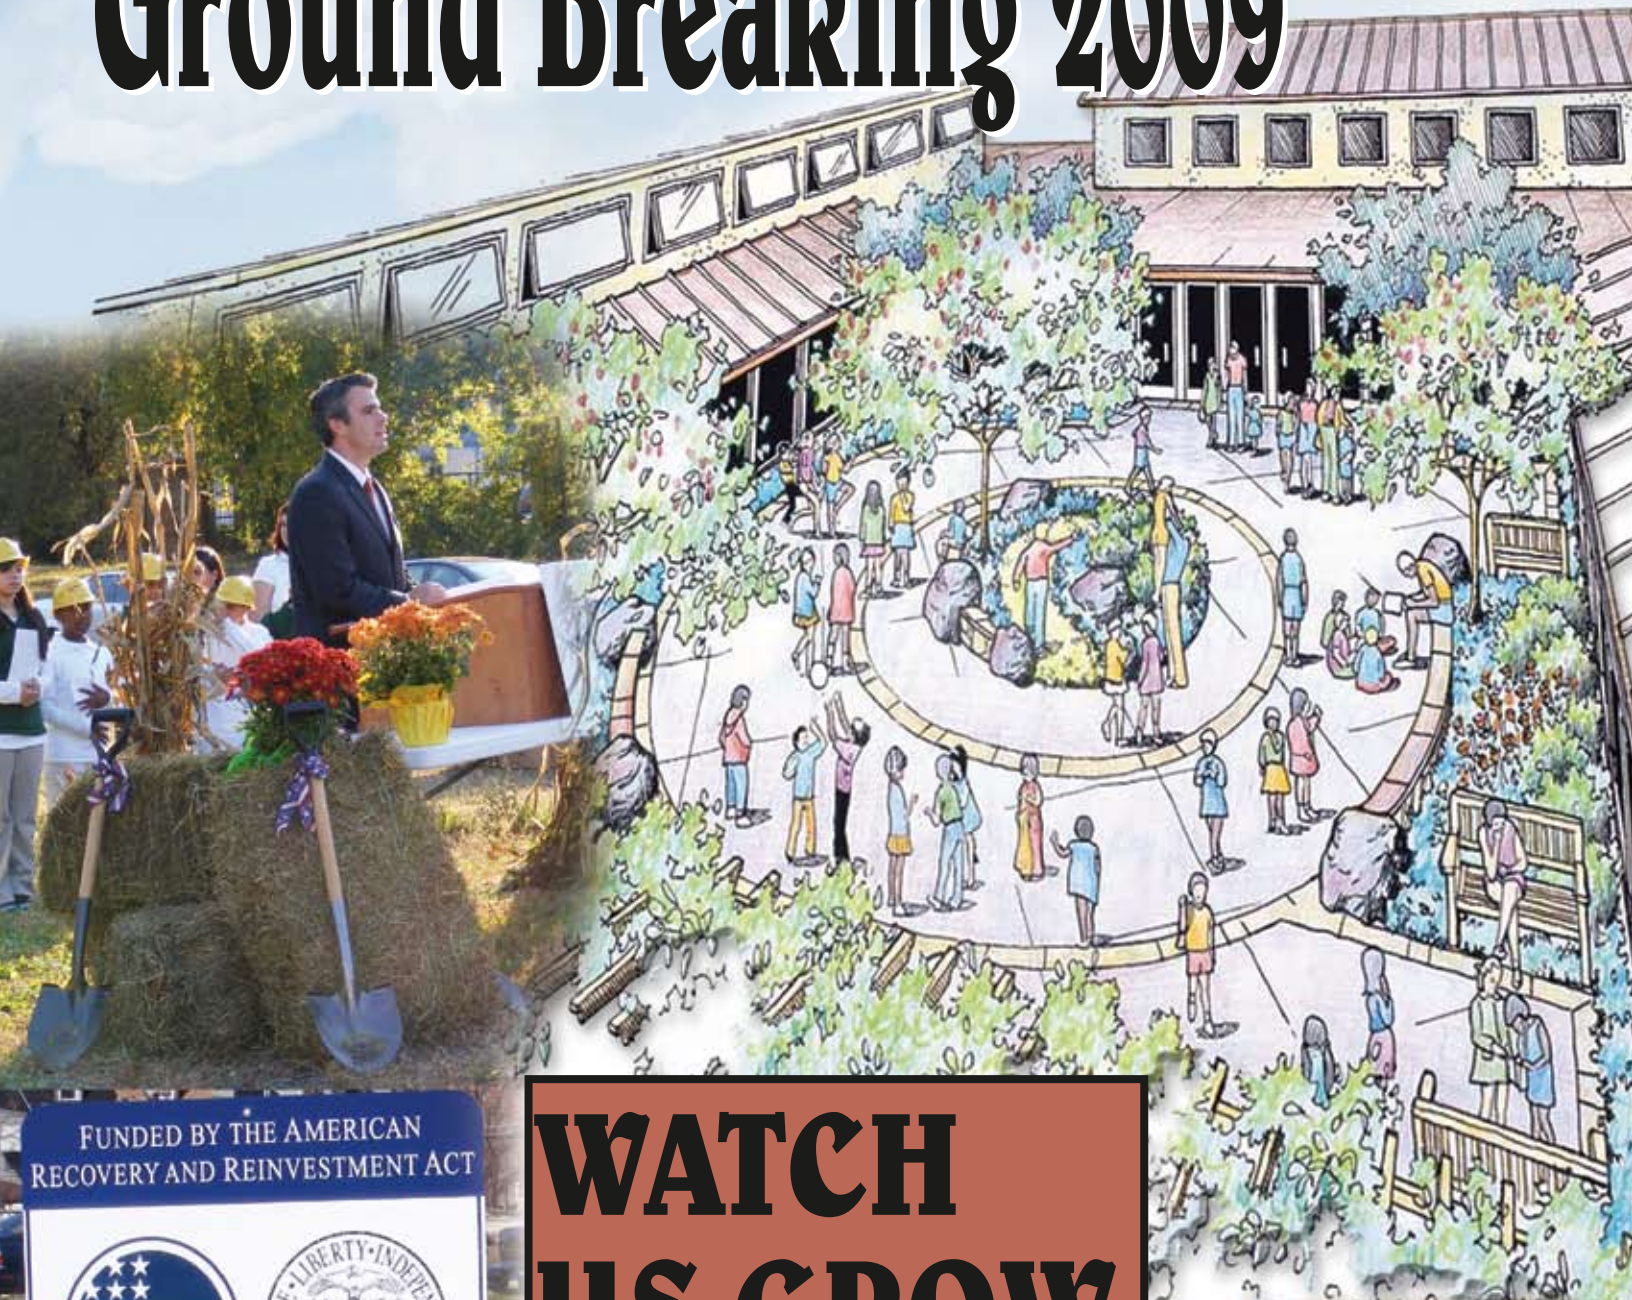

Dr. Johanna Kelly., Chairperson

Modesto D. Fiume, President

Opportunity
House

Ground Breaking 2009

**WATCH
US GROW**

Human Resources Update at Opportunity House:

Over the past year our dedicated employees have made it possible for Opportunity House to continue providing services to our clients during a period that was economically challenging for everyone. Even though we had seen an increase in the need for services and a decrease in our average number of staff, our staff remain focused on providing consistent, high quality, care.

During the past year we averaged 86 employees in any given month with 82% having been with Opportunity House for over one year. We continue to work on employee retention and currently have 22 employees with five or more years of service, seven employees with 10 or more years of service and one with more than 15 years of service. Once again we have had five employees with perfect attendance for the entire year.

We have been working diligently to reduce accidents in the workplace. This past year we finally reached a level which saved us a considerable amount of money on our annual Worker's Compensation Insurance. We recently formed a Safety Committee comprised of employees throughout the agency with the goal of reducing preventable workplace accidents. We and will continue to work with our insurance company to implement policy amendments and general practices that will ensure the continued safety of our employees.

For the past several years, Opportunity House staff have enjoyed participating in an annual softball tournament which benefits BCPS/Berks Connections. Our President, also known as Coach Modesto is the sponsor of the team. For the past few years CAC Case Manager, Janice Yerger, stepped up to be the Team Mom for the annual Softball Tournament. Mom Yerger coordinated the team including ordering t-shirts and attending planning meetings. It's a job she does very well! So does the coach, by the way.... This year the team did not come in last place... regardless of the line up it is always a great day and our team is honored and proud to give back to the community.

We would like to thank all of our employees for their dedication and commitment to our organization. They are truly the foundation that supports our organization in providing quality services for all of our clients.

Our Programs

Shelter Services

A new program was started at Opportunity House this year, the Homeless Prevention Rapid Re-Housing Program (HPRP). The American Recovery and Reinvestment Act of 2009 established the Homeless Prevention Rapid Re-Housing Program to assist households at risk of homelessness and households that have become homeless. Opportunity House contracted with the City of Reading to implement the program and disburse the funds. To date HPRP has assisted well over one hundred people remain in their homes by providing needed assistance with their rent and/or utilities in order to prevent eviction. This program also provided financial assistance to people who are in the shelter and needed help with paying security deposits and first months rent. To date six single people and two families have been able to leave the shelter with assistance from HPRP.

During the past year the emergency shelter provided services to 473 unduplicated individuals (219 men, 174 women and 80 children). An additional 154 individuals (135 men and 10 women) were served exclusively during the Code Blue period of November 1 through March 31 when the average night time temperature is below freezing. Besides providing the homeless with a safe, warm place to sleep, a place to do their laundry and take care of their personal hygiene Opportunity House provided 120,786 meals.

Permanent Housing

There's been quite a bit of movement in our permanent housing program over the past year; only one of the original families remains in the program; that is the Harris family. This family has a lot to celebrate this year; one of the girls graduated from high school and is planning to go to The College of Performing Arts in Philadelphia in the fall. The oldest daughter in the family will be graduating from Lock Haven University in May of 2011. These are major milestones for most families, however for a family that just five years ago was experiencing homelessness this is a wonderful achievement. Among the new families that moved in we have a single father with a teenage son who is currently enrolled at Reading High School. He is on the football team and enjoys drawing and painting. We see college in this young mans future. The Gonzales family has a new addition. In May they had a baby boy, a bundle of joy for this family. These families continue to utilize the supportive services that are offered at Opportunity House. Mental health and drug and alcohol services through Berks Counseling Center, medical services through the Second Street Health Dispensary, child care at the Second Street Learning Center, as well as the support that is offered from the Case Management team. It's these services and the determination of the families in these programs that makes this program a success.

Children's Alliance Center (CAC)

The Children's Alliance Center (CAC) opened its door to the most recent program at Opportunity House, Court Appointed Special Advocates (CASA). The CASA of United Way is now the CASA of Berks County. The Court Appointed Special Advocates program was transferred from the United Way to Opportunity House on November 1, 2009 and it now operates out of the Children's Alliance Center under the coordination of April Reed Schmehl. The mission of the CASA program is to provide efficient, thorough, quality advocacy to children who enter the court system as a result of abuse and/or neglect. Specially trained CASA volunteers are appointed by a judge to represent the best interests of a child. The main purpose is for a child to reach permanency whether it back with birth parent/s, with extended family members or adoption.

CAC Moves

The Children's Alliance Center of Berks County had a busy 2009/2010. Although we enjoyed being under one roof with Opportunity House, it was time to move on and to assist in meeting more of the communities needs. For several years we shared a home with the Reading Hospital Health Dispensary at Second Street. We appreciate their generosity and kindness, however we all were outgrowing our space. After almost two years of looking at different potential office locations we found a new home! The CAC is now located to 50 North 4th Street! The primary reason the CAC needed to relocate was to increase the number of interview rooms for children. Today, we have an interview room for our younger children and an interview room for our 'tweens'. Our observation room is now located between the interview rooms. The new office provides for additional quiet space and more privacy for the children and their family. After moving and getting 'settled' an Open House took place on April 30th. The month of April is Child Abuse Prevention Month and we wanted to incorporate our move with the awareness that child abuse does occur in Berks County. Senator Mike O'Pake, Congressman Tim Holden, Mayor Tom McMahon, Opportunity House staff, volunteers and members of our board of directors were among our many distinguished guests. We are very happy and proud of our new space!

Second Street Learning Center (SSLC)

The Second Street Learning Center has become a comprehensive community child care service that provides safe, high quality child care that is affordable. We accept children aged 6 weeks to 13 years. We focus on creativity, socialization, and the development of high self-esteem. Activities are designed to meet the needs of each individual child. development of high self-esteem. Activities are designed to meet the needs of each individual child. The Learning Center incorporates the use of multi-cultural and developmentally appropriate materials and equipment. We believe that children are to be treated as individuals, with love and respect for their specific emotional, physical, and social needs.

We provide well trained staff, which creates an environment of acceptance and warmth. Our curriculum is based on the basic tenets of child development, making sure we address cognitive, social, emotional, physical, and aesthetic areas of growth. Our staff integrates these areas of growth encouraging children to develop at their own rates.

Reading readiness, pre-math, computer programs, outdoor play, art projects, and science and nature studies are just some of the daily activities planned for our children. Our center offers a before and after school enrichment program. This program is available for full days of school during public school closings. In addition, homework assistance is offered through our after school tutoring program.

We encourage parents to visit the Center at any time and to participate in their child's daily experience.

To accommodate today's busy family schedule, the Center is open 24 hours per day, 7 days per week. Additionally, transportation is provided to and from public schools located in the city. The Center offers children a diverse, nurturing, and supportive environment that provides the parents with the

flexibility they need to meet their varying work schedules. In FY2010 the Learning Center provided care to 549 individual children of whom 97% come from families that are at or below the official poverty level. Of the 346 families with children enrolled at the Learning Center 90% are headed by a single parent. These statistics reflect the community that we serve.

This year we were again awarded a \$31,500 grant from the Keystone STARS program that was used to purchase items to ensure the health and safety of our children.

They included:

- A new changing table with attached sink for the infant room.
- New hand washing sinks for use in the Toddler and Preschool classrooms.
- A caterpillar climber and outdoor hand washing sink for the Infant, Toddler, and Preschool playground.
- Science, math, English, literacy, writing, and health & nutrition learning material for the School Age program.
- Eighteen new laptops for staff and students to use for educational support and programming.

The children attended the following summer programs:

- **GoggleZone-GoggleWorks** continued its set of unique camps with the return of GoggleZone! For four weeks 20 kids started their day exploring their imaginations and creativity at the GoggleWorks facility. The children then hopped on a bus and headed to the Body Zone for an afternoon of soccer, football and basketball fun!
- **Camp Discovery-Reading Museum -Museum Discovery Camp** offered an art and science program for children from ages 4-11 years. Fifteen kids spent 4 weeks attending this exciting summer camp. Programs include outdoor sketching, nature study and exploration, hands-on live animal

demonstrations, environmental awareness, supervised outdoor games and activities, Museum Gallery talks, guest speakers, Planetarium shows, and rainy day activities.

- **Camp Bynden Wood** – Eight kids spent nine weeks surrounded by nature. Bynden Wood's outdoor mountaintop facility provides campers with a unique summer camp experience. The Day Camp's programming is based on the four core values of the YMCA (Caring, Honesty, Respect, Responsibility) along with the promotion of safety, fun, education, and individuality.
- **Imax Movies for the Summer** – Reading Imax theatres offered free movies each week for children in the Reading area. Around 30 children attended weekly movies.
- **Disney Princess on Ice** – Due to the generosity of the Sovereign Center in Reading, Field Entertainment, and Disney on Ice over 40 children enjoyed the show and attended a meet and greet with the Princesses. Our children were welcomed with gifts and a red carpet experience.
- **French Creek State Park** – Each day this summer 25 children enjoyed outdoor fun at this favorite summer time spot. The children swam, had picnics, did a little hiking on the nature trails, and played outdoor games like tag, football, and soccer.
- **Reading Royals Hockey** – The children participated in a banner making content. As a result they attended the Royals play-off games.
- **J.P. Mascaro & Sons Presents The Respect Program** – The Respect Program was created to educate youth on the importance of respect and why we need it in our lives. It incorporates valuable and important information with a fun, interactive presentation. Fifty children, from grades 3 thru 5, were part of the program that took place at Second Street Learning Center.

- **Second Shift children attended Wiggle for the Giggle** – An evening of exciting interactive rhythm benefiting the GiggleWorks at Palmer, Greater Reading’s Children’s Museum. Second Street Learning Center staff and children were spellbound as Mark Seaman’s Global Rhythm Program took them on a journey from Africa and beyond. Using world drums, percussion, voice and movement, the children learned and experienced what being part of a global village sounds and feels like. This dynamic presentation included a finale with Janet Peck (A highly regarded African Dance teacher from Lancaster PA) leading the Wonta Nara dancers from the Olivet Boys & Girls Club PAL Center for the Arts in Reading PA.

- **Souper Bowl making workshops**- Fifteen of the older school age children attended two sessions to make bowls for our annual “Souper Bowl”

- **Brian Foremen- Artist-in-Residence** spent his summer break from teaching by providing an in-house art classe for 24 middle school age children every Monday for six weeks.

- **Carla Siedel- Visits with us to offer music classes on Wednesdays** for infant, toddlers, and pre-school children.

Thirty students enjoyed moving with music and learning new songs. The program started in May and continues to this day.

- **Homeless Liaison at Lauer’s Park-** Melissa DeMotta (ARRA- Stimulus Money) - Provided teacher resources and additional tutoring for 25 of our Lauer’s Park children
- **Bobbi DeLaughter- RACC student** that worked with 10 of our tweens three days a week after school.
- **Barnes & Nobles held their holiday book drive** to benefit Opportunity House. Over 850 books for the New Learning & Technology Center library were collected and donated by customers.
- **St. Ignatius Loyola Parish School** held their annual book sale and donated the change from each purchase to Opportunity House. Over \$200 in books was purchased for the library at the Second Street Learning Center.

Easter Baskets/Halloween:

- **Bethany Lutheran Church** provided Easter baskets for our younger children filled with Easter eggs.
- **West Reading Borough** donated their Easter Egg Hunt leftovers.
- **Alvernia University** provided over 300 baskets and toys for our Easter Egg Hunts
- **Our children participated in the United Way of Berks County’s annual Halloween celebration.**

Christmas:

Our children from the toddler/preschool rooms participated in the Camp Adahi Santa’s workshop and got to pick out Christmas presents for their family.

College students along with Santa visited and donated Christmas presents at a special School Age party.

Misc.

As a class assignment the Penn State Berks campus students of Dr. James Huber’s Psychology 100 class created t-shirts with a motivational message. The shirts were donated to the Second Street Learning Center to help motivate our students.

Volunteers – Fiscal Year 2010

Volunteers are the glue that holds many of our programs together; whether they are cooking in our kitchen, playing with the children in the Second Street Learning Center, serving on our Board of Directors or one of our many committees. Opportunity House could not begin to provide all of our services without the assistance of our many dedicated volunteers. They are an integral part of the agency.

The past year was successful thanks in-part to the participation of the following volunteer activities.

In the Second Street Learning Center volunteer tutors assisted the school aged children after school with homework and school projects. Some volunteers shared their love by rocking and holding the babies in our Infant Room. Others read and played with the pre-school children. Many individuals came in on a regular weekly basis, while some came as a group to host a special event. On average, throughout a given week, we had 10 - 15 volunteers helping out in the Second Street Learning Center.

In the Shelter dinner was prepared and served by volunteers 362 days last year along with lunches on weekends. Many weekend breakfasts were also prepared by volunteers, as well. We had 116 groups come in this past year and serve a meal; many of which came once each month. These groups and individuals are from various local religious congregations, businesses, schools and social organizations who choose to share their time and talents with our clients. Throughout Opportunity House and around our campus volunteer groups provided manual labor to assist with special projects such as replacing flooring in the administrative offices, painting hallways and handrails throughout the building, landscaping our grounds and community garden, expanding needed storage space, and organizing donated items and supplies.

Children's Alliance Center/Court Appointed Special Advocates (CAC/CASA):

Volunteers helped in the CAC with moving to our new location. A select group of key volunteers have been formally trained to assist with the CASA program. Acting as a third party our CASA volunteers spent countless hours researching and confirming the appropriate steps for the children in the foster program in Greater Reading. These exceptional volunteers spent hours in court and sometimes with the families and all parties involved to make absolutely sure that the interest, safety and healthy growth of the children is always top priority. CASA had three active volunteers in this fiscal year and plans to continuing training new people to assist with the program. This is an exciting new chapter for Opportunity House and our volunteer spirit!

Fund Raisers:

In conjunction with their annual Holiday Book Drive, *Barnes & Noble* invited our volunteers to work at a gift wrapping table in their store. More than fifty volunteers stepped up to participate and help raise over \$1,700 for Opportunity House.

Atonement Lutheran Church held a benefit concert on October 2, 2009 and raised \$1,862 for Opportunity House. The universal spirit off bread is sharing®. That's why Panera Bread is committed to helping the communities they serve! For the calendar year 2009 (beginning in January), Opportunity House was selected by Panera Bread to be the Community Breadbox recipient for their bakery-café located in Reading, Pennsylvania. Panera Bread matched each gift made by the community and raised \$4,496.43.

Greater Reading Young Professionals (GRYP) raised over \$20,000 at their event.

Volunteers – Fiscal Year 2010 *(continued)*

Bollman Hat Company – keeping our clients warm: During the holiday season the folks from Bollman Hat Company in Lancaster County, Pa delivered boxes of new wonderful hats for men and women at Opportunity House. Everyone had a great time trying on and wearing their new hats all winter season.

Committees or Boards:

There are many volunteers that offered countless hours throughout the year by serving on committees and our Board of Directors and help raise funds for Opportunity House as well as provide operational guidance to the agency.

To ALL of our
WONDERFUL VOLUNTEERS,
we say **THANK YOU!**

Note: If you would like to volunteer your time, talents and treasures please visit our website at www.opphouse.org for details.

13th Annual Opportunity House Golf Tournament presented by Penn National Gaming Foundation:

The 13th Annual Opportunity House Golf Tournament took place on Monday, June 7th at the Berkshire Country Club. Once again, the weather and sun smiled on us brightly and there was a nice breeze all day! For the past several years, our tournament has been unique, in that many sports celebrities have participated and supported the days events. This year was no exception with Pro Football players Fred Baxter, Jim Nelson, Omar Easy, & Brad Scioli joining us, along with Olympic Medalist Diann Roffe and Allison Baver.

We were sold out this year, with 30 foursomes playing in a four man scramble format.

the day's events to support the many
programs that Opportunity House offers.*

The 8th Annual Souper Bowl:

The 8th Annual Souper Bowl was held on May 3rd at Body Zone Sports and Wellness Complex in Wyomissing and this year we broke ALL records!

41 Restaurants and Caterers participated, over 1200 bowls made by Berks County schools, professional potters and individuals, and over 600 attended this year's event. The bottom line was that \$52,000 was raised to support the programs of Opportunity House

This keystone event for Opportunity House brings all communities of Berks County together. It is a great team building process in many ways. Thank you to all our sponsors, and to those who made bowls, provided food, volunteered at the event, helped with set-up or clean-up, donated goods and services, and to the fantastic committee who worked all year to make the 8th Annual Souper Bowl a tremendous success. We wouldn't have been able to achieve these results without everyone's help!

Souper Bowl Preview Party

The addition of the preview party to the Souper Bowl has been a true asset to our organization. Originally designed to introduce new donors to our services and help take the Souper Bowl to a next level, this event has grown to rival the success of the main Souper Bowl event. A new addition for 2010 to the Preview included the “Donor of the Year” award. The first annual award was presented to the Carlino/Schippers families and Penn National Gaming Foundation for their overwhelming support and dedication to the mission of Opportunity House. This award, a beautiful hand thrown ceramic bowl was made and donated by Nolde Forrest Pottery. The Preview Party highlighted a wine tast-

ing table which was sponsored and hosted by WineDown Café & Winebar. 120 guests were in attendance in the Party Room at BodyZone Sports and Wellness Complex just prior to joining the main event in the ice rink. The 2010 Preview Party raised in excess of \$19,000, which is included in the total of the day’s events.

Sponsors: Body Zone Sports & Wellness Complex; Stevens & Lee; Dena & Vic Hammel; CTCE Federal Credit Union; Fox & Rothchild; Fred & Dee Hiehle; Dr. & Mrs. Ali Amin; Berks Packing; Dr. Jeffrey Blank; Mary & David Carlino; Comcast; Connors Investor Services Inc.; Reinsel & Co.; Chris & Robin Pruitt; WineDown Cafe & Winebar; Yuengling; Railroad House; All Star Distributors; Click Photography; Nolde Forest Pottery; Lowes - Shillington

Musical Entertainment Provided By Carl Zepplin

Preview Committee: Karen Bailey; Amanda Garber; Kim Hiester; Laurie Kercher; Jessica Krakowski; Lorri Oziri; Kelly Silvia
